Dear Ms. Pesiri,

The development of human resources to meet essential mission requirements, replace skilled employees, and improve individual productivity is a continuing management responsibility. In executing this responsibility, the Directorate, Community Support Programs, makes every effort to ensure training requirements are satisfied by the most efficient and economical means possible.

Recently, ALLTECH, Inc. provided training to our workforce. The feedback reports were extremely positive. ALLTECH's ability to address our training needs quickly and accurately enabled Fort Detrick employees to improve the skills required to accomplish their respective missions with minimum loss from their day to day activities. ALLTECH's professional manner, high energy, and sincere desire to satisfy our training requirements was exactly what our workforce needed to achieve their essential mission to "support the Soldier" and Fort Detrick.

Sincerely,
